

CPE95

CP Wired Expansion Mic CPE95

The Yealink CPE95 is a CP Wired Expansion Mic which works as an audio input device for Yealink CP965 conference phone. Two expansion microphones can be connected to Yealink CP965 IP conference phone, extending the range by an additional 10ft/360° respectively. Advanced echo cancellation and noise suppression filter out unwanted sound, so all that remains is crystal-clear voice. The CPE95 is a clear-cut choice for organizations requiring optimal microphone placement and room coverage.

Key Features and Benefits

- Optima HD voice
- Full duplex technology
- 10-foot (3-meter) 360° voice pickup
- Echo cancellation
- Capacitive mute touchpad with bicolor LED
- Work with Yealink CP965 IP Conference
